# OPEN TO THE PUBLIC

## NO RESERVATIONS ARE REQUIRED

619.232.3821 | [www.sdnhm.org](http://www.sdnhm.org)

**Canyoneers** are San Diego Natural History Museum volunteers trained to teach appreciation of plants and animals in Southern California. If you are interested in volunteering as a Canyoneer visit [www.sdnhm.org/volunteer](http://www.sdnhm.org/volunteer) or call the Director of Volunteers at 619.255.0245.

These programs are **interpretive nature walks**, not endurance hikes, and Canyoneers try to accommodate the desires and abilities of all participants. However, some of the walks can be taxing, especially those in the desert or mountains.

Hikes are ranked using the following system	
<i>Difficulty level</i>	
E Easy	I Intermediate
D Difficult	X Extra*
<i>*boulder scrambling, rough trail, low light, etc.</i>	
<i>Mileage (rounded to nearest mile)</i>	
<i>Elevation change (gain or loss)</i>	
a up to 200 feet	b up to 500 feet
c up to 1000 feet	d up to 1500 feet
e greater than 1500 feet	
Examples	
Using the system above Florida Canyon is E2a <i>(Easy, 2 miles, up to 200 feet elevation change).</i>	
Meyer Valley/Boulder Peak is IX4c <i>(Intermediate, 4 miles, up to 1000 feet elevation change with X for boulder scrambling).</i>	

**Be prepared!** Wear comfortable walking shoes and a hat. Hiking boots are recommended for desert and mountain hikes. Bring adequate water and food; even the short or easy hikes can demand liquid and energy resources. You may also wish to bring a jacket, binoculars, and field guides. Bring rain gear if rain is a possibility. If you would like to accompany a more leisurely group, ask the Canyoneer host when you sign in. Check the online Museum calendar ([www.sdnhm.org](http://www.sdnhm.org)) for cancellations needed due to closures or call 619.232.3821; option 4-1.

Please follow common rules of courtesy and safety. Do not litter the trail or smoke. Dogs or other pets are not permitted on the walks, as they interfere with observing wildlife.

**Group tours** for scouts, senior citizen groups, clubs, and other organizations may be arranged by calling the Museum two weeks in advance at 619.255.0210. There is a nominal fee of \$2 per person. If your group of 10 or more plans to join a regularly scheduled Canyoneer walk on a Saturday or Sunday, please call the number above at least two weeks in advance so that arrangements can be made for a sufficient number of guides. School group hikes are also available for a fee of \$2 per person. Contact 619.255.0210 for information.

# PARKING FEES

Parking fees have been instituted or increased at many hike locations. Such information, where available at the time this schedule was prepared, has been included. **Please check location websites or the phone numbers listed below for parking fee information as they are subject to change.**

## County of San Diego

A \$40 annual parking pass waives the \$3 parking fee (per vehicle) in all San Diego County Regional Day-use Parks. Seniors (62+) and disabled persons park free. Passes may be purchased at the County Parks and Recreation Office: 5500 Overland Ave., Suite 410, San Diego, CA 92123. The office is open Monday–Friday, 8 AM–5 PM. You may purchase over the phone with a credit card by calling 858.565.3600. You may also purchase at all county parks.

## Anza-Borrego Desert State Park

Generally, there is no day-use parking fee in Anza Borrego Desert State Park with the exception of the Borrego Palm Canyon Campground (\$8). There is also an overnight camping fee at this campground. For information call 760.767.5311.

## Cleveland National Forest

California national forests, including Cleveland National Forest, require visitors to display a National Forest Adventure Pass in their vehicles when parked in a national forest for recreational purposes, including at trailheads in high use areas. A \$5 daily pass, or a \$30 annual pass valid for 12 months from month of purchase, is available at Forest Services offices and ranger stations, Adventure 16 and REI stores, and vendors within the forest. For information call the Descanso District, 619.445.6235, or the Palomar District, 760.788.0250, or visit [www.fsadventurepass.org](http://www.fsadventurepass.org).

## Cuyamaca Rancho State Park

A parking fee of \$8 is in effect for Paso Picacho and Green Valley campgrounds. A \$125 annual pass is valid for state parks. Parking is free in “turn-out” sites where not prohibited. This may change in the coming year. For information call 760.765.3020 or visit [www.parks.ca.gov](http://www.parks.ca.gov).

## Descriptions and Directions to Canyoneer Walks

Map references refer to the 2007 Thomas Guide (Map page-section). Other editions may be similar with 57<sup>th</sup> edition starting on page 996 with page D covering earlier 408–432 pages.
