We award partial scholarships; scholarships are valued at 50% of non-member pricing.

Travel costs to and from summer camp ATtheNAT and camp shirts are not included.

Previous applicants can apply but priority is given to those who have never attended summer camp ATtheNAT on a scholarship.

Awards are based on the financial need of the camper's family.

The number of scholarships awarded each year varies and depends on the amount of funds made available to the ESEC (Environmental Science Education Center) for summer camp scholarships.

Scholarship will be cancelled if payment is not received within 7 days of award notification.

Spaces are not guaranteed in any camp.
