My child has a food allergy/medical condition. How does theNAT handle medical issues?

Please note all allergies, intolerances, and medical issues on your child's Emergency Release Form. If medication is necessary at camp, please indicate the directions on your form as well as in the bag with the medication the week of camp. We've had many cases of nut allergies, dairy allergies, asthma, etc... over the years and we have First Aid/CPR certified staff. As an example, with food allergies specifically, we will keep the children separate and hands are washed if snacks may pose an issue (e.g., John is allergic to nuts and Susie brought a PB&J). If your child's allergy is not limited to ingestion, please let us know as well in case a craft or art project may require a volunteer's assistance (e.g., gluten in a dough).

Lunches and snacks are not provided. Morning campers need to bring a snack to camp every day. Full-day campers need to bring a snack and lunch each day. Please send a beverage with your child as well. Water will be available in the classrooms. Please label your child's lunch and drink containers.

What is the Balboa Park Camp Collaborative?

The Balboa Park Camp Collaborative Program is a program in which half day camps are offered by Balboa Park institutions which allow your child to enjoy a full-day of camp in the Park. Your child will be supervised all day. Campers will be escorted to their afternoon camp after they enjoy their sack lunch. To participate in the program, be sure to mention the Camp Collaborative Program when you register at each institution. Click here for a [schedule of camps and participating institutions](#).

What does my child need to bring?

Please provide a snack and drink for your child each day. Each camp takes a snack break. If your child will be collaborating with another Museum for a full day or is participating in a full-day camp here, please pack a sack lunch as well. Children should wear comfortable play clothes that can get dirty and wear closed-toe shoes (NO sandals). We recommend hats and a jacket or sweatshirt on cool days. We highly recommend sunscreen be applied each day before you arrive at the Museum.

My child's friend/sibling is going to camp too. How can I make sure they are in camp together?

If these children are in the same grade range, they will be in camp together if they are signed up for the same camp during the same week. Check with each other (i.e. "*Which week are you going?*"). That being said, you can always let us know too—on your Camper Release Form make note of the other camper's name (and authorize the other camper's parent(s) for pick up). If the children are in different grade levels, they will need to sign up for separate camps.

Will my child meet a real scientist?

As our scientists are often in the field, any visits are pending availability.

Will my child have time to play and explore outside?

All camps will spend some time outside during the day.

What is the instructor to camper ratio?

The instructor to camper ratio is approximately 1:5. Each camp has one adult instructor, one camp assistant, and two or three camp aides. Our camp assistants and aides are often high school or college students. The Museum's Education staff provides additional supervision and support when the camps leave the classroom and visit the Museum, explore Balboa Park, visit to the Zoo, or take a nature hike.

Is camp staff required to have a background check?

Yes, all instructors and volunteers working with children at the San Diego Natural History Museum have completed a background check.

What if we need to cancel our camp?

There is a \$10 cancellation fee per camper per camp. You will receive a credit voucher for the remaining balance that can be used towards admission, membership, or future camps. Cancellations must be made with at least seven days' notice prior to the start of camp. Please contact the Education Department by phone to cancel your camp.

No credit vouchers will be given for cancellations made within seven days of your camp's start date. A full refund will be given for any camp canceled by the Museum. Please allow up to 30 days for processing of a refund.

Where do I park?

Parking is free in Balboa Park. You may park in any of the lots at any time or on the street after 9 AM. Parking usually isn't difficult in the morning, but we recommend allocating extra time for any traffic or parking difficulties. You will only need to park on the first day of camp for check in. For the remainder of camp, you will drop off and pick up your child at the turn around at the south end of the lot on the east side of the Museum.
