NOTICE

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the U.S. (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If Applicant makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," Applicant may be liable for copyright infringement. The Society reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date set forth on the SDNHM Digital Image Order Form.
