EXHIBITIONS

*Real Pirates: The Untold Story of the Whydah from Slave Ship to Pirate Ship* offers an unprecedented glimpse into the unique economic, political, and social circumstances of the early 18<sup>th</sup> century Caribbean. The exhibition is highlighted by the compelling stories of the diverse people whose lives converged on the vessel before it sank in a fierce storm off the coast of Cape Cod, Mass. on April 26, 1717.

Try your hand at raising a pirate flag, tying real sailors' knots, and looking through a telescope to find ships with treasure on board. You can even board a life-size replica of the *Whydah*.

Groups of all sea-faring abilities are invited to enjoy and discover the world of *Real Pirates*! We offer special discounts for tour and travel professionals. TheNAT is perfect for tourists, local groups, and senior and youth groups.
