

Dear Parent/Guardian,

Thanks to a generous donation from the Robert and Helen E. Grant Foundation, the San Diego Natural History Museum (The Nat) is pleased to offer a number of summer camp scholarships for Summer 2020.

Partial funding is available to families who would otherwise not be able to participate in our program. Families are asked to contribute \$25 towards their child's camp. Transportation to and from The Nat for your camper is required, as are completed camper release forms.

Scholarships are available for children in grades 1-8. All classes are taught in English; English learners are welcome.

In order to be considered for a scholarship, applicants must complete a Scholarship Application Form. If the form is not complete, the recipient will not be considered. We will begin accepting applications in April. We will accept applications throughout the summer but we encourage families to send it in as soon as possible. Submission of an application does not guarantee receipt of a scholarship or attendance at a particular program.

Families will be notified whether or not they have received a scholarship within two weeks of submission of an application. Campers will also receive a snack and lunch for each day of camp and a camp T-shirt.

Priority is given to first time applicants. Children who have previously received a scholarship will be placed on a wait list and notified of their standing no later than May 31, 2020.

For further information, please email campership@sdnhm.org or you may contact Customer Service at 877.946.7797

Thank you for your interest in our scholarship program.

Sincerely,

Scholarship Committee
San Diego Natural History Museum
