In support of *The Discovery of King Tut*, a collection of high-quality images have been assembled and are shown here. These photographs depict various objects in the exhibition and the unique ways in which visitors can interact with them.

All of the images shown are available for public use and can be downloaded from the media section of our website—www.sdnat.org/kingtut.

Or, feel free to contact Genevieve Fong at 619.814.2370 x10 or gfong@cookandschmid.com for assistance in obtaining exhibition photos and supporting images.
