GROUP DISCOUNTS NOW AVAILABLE

Feel a rush of excitement as your group steps into King Tutankhamun's tomb exactly as it was discovered in 1922, a moment witnessed only by Howard Carter and a handful of others. *The Discovery of King Tut* is a breathtaking recreation of the boy king's burial chamber and more than 1,000 scientifically reproduced artifacts. In its second stop on a U.S. tour, this world-class exhibition is on view for a limited time at the San Diego Natural History Museum. Discover new worlds and new wonders, and see King Tut's tomb and treasures like never before.
